- ✓ When you come to the end of the application it will ask you to sign it. Select "sign with PIN" and enter your PIN #. If a dependant, your parent must also enter and sign with their PIN as well. After entering your PIN #'s click, "Submit my FASFA now" button and you will come to a confirmation page, make sure you PRINT that page. There is a number called the EXPECTED FAMILY CONTRIBUTION.
- ✓ If you call our Financial Aid Administrator, they can estimate what you will receive from a Pell Grant. Keep in mind you may still be required to provide verification information to the school.

STUDENT LOANS:

If you want to apply for a Stafford Loan or your parent apply for a PLUS Loan you will need to visit our website and click on "Related websites" then click on "Sallie Mae Student Loan application" link.

You will log on as a "borrower". Then you must register by setting up a user name and password. Complete the application and sign the MASTER PROMISSORY NOTE electronically. Until you start school no further action is required. Every student is guaranteed a loan. It does not go by credit score. PLUS (Parent loans) eligibility is determined by credit standing. The amount varies based on what you may receive for a Pell Grant and what your cost of attendance is. (Currently enrolled cosmetology students only: You may re-apply for a second student loan at approximately 980 hours using the same log in information from your previous loan application.)
